the beauty of Venn diagrams

by **bess** @ 11:49 am. Filed under [visualization](#), [You Tube](#)

This is a beautiful short film that uses visualization techniques like Venn diagrams, flow chart symbolism and graphs to describe topics one does not usually associate with these explanatory techniques. I hope we can use this next time we teach a data visualization class in the library.

RIEL CONTRE L'EGLISE CATHOLIQUE.

AUX CANADIENS-FRANÇAIS.

Il y a quinze mois que la Province de Québec est bouleversée par la pendaison de Riel. Sans entrer dans le mérite de la question, on peut et on doit se demander si la cause des Métis catholiques et la cause de Riel se confondent tellement qu'elles ne font qu'une. Ceux qui veulent blâmer l'exécution de Riel parce qu'il était fou rendent un mauvais service aux Métis, en laissant croire qu'ils se faisaient conduire par un lunatique. Ceux-là sont donc obligés de faire une distinction entre la cause des Métis et celle de Riel.

Ceux qui veulent poser Riel comme un héros et une victime, n'ont aucun égard pour la cause et les intérêts des Métis ; car il a été prouvé que Riel a été un apostat et a rudoyé les religieuses et emprisonné les prêtres de sa paroisse. Afin que personne ne puisse douter de cette affirmation, voici un document écrit de la main même de Riel et trouvé dans ses papiers. Il est en anglais ; mais nous en donnons la traduction.

Quand on y aura vu la manière dont il traite le pape et les prêtres, on comprendra que c'est faire injure aux Métis que de persister à glorifier cet homme comme leur chef.

Delicious!

Delicious Library

The screenshot shows the Delicious Library application interface. On the left, a sidebar titled 'Collections' lists categories: Books (157), Movies (3), Music (2), Games (1), Recent Imp... (0), Martial ... (13), Ruby (5), and Chinese (2). The main area displays a virtual bookshelf with four shelves of books. The top shelf is labeled 'Qigong to Bass'. The second shelf is labeled 'Ruby to Semantics'. The third shelf is labeled 'Seniors to Taoism'. The bottom shelf is labeled 'Te to Teahouse'. A search bar at the bottom allows for filtering by title, author, and genre. On the right, a detailed view of the book 'Sitting: A Guide to Buddhist Meditation' by Diana St. Ruth is shown. The details include: publisher / label Penguin (Non-Classics), release date Friday, May 1, 1998, genres Rituals & Practice, format Paperback, no. of pages 96, retail price \$12.00, current value \$2.90, and an amazon® users rating of 4 stars. The book's ISBN is 780140195682 and its Amazon ID is 0140195688.

~chucknorris

- They were going to release a Chuck Norris edition of Clue, but the answer always turns out to be "Chuck Norris. In The Library. With a Roundhouse Kick."

Thanks!
